MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Marriage to an Alien - [REDACTED] 25X1A

REFERENCE: Memo fr OGC to D/Pers dated 26 Nov 69;
Subject: Foreign Divorce Decrees:
Consequences and Problems Confronting
Agency Employees (OGC 69-2213)

25X1A 1. The papers requesting approval of retention of employment status of [REDACTED] following his marriage to an alien indicate he was divorced from his previous spouse in August 1969 by Mexican decree. Without further information regarding the divorce, we can only say that all the potential problems outlined in referent memorandum (attached) are present. In particular, it should be noted that if the Mexican decree is of the "mail order" variety, the alien spouse may be confronted with immigration problems and most assuredly could not avail herself of the preferential naturalization procedures available to a spouse of a U. S. citizen. In this regard see paragraphs 20 through 22 of referent memorandum.

25X1A 2. It is noted that one of the potential problem areas is not present in this case, i. e., there are no children of the previous marriage. Since [REDACTED] is [REDACTED] we will not be able to query him directly. We will be in touch with [REDACTED] in connection with the dispatch he is preparing to [REDACTED] 25X1A 25X1A

25X1A 3. The above matters are only factors to be considered in permitting [REDACTED] to retain his staff-type clearances and remain in employment.

[REDACTED] 25X1A
Deputy General Counsel
